- Must ensure that SWAN Community Council is not brought into disrepute through irresponsible use of the device provided.
- Must use reasonable endeavours to ensure that electronic data transmissions generated on behalf of SWAN Community Council are stored, transmitted or retrieved only on a Council owned device.
- Must immediately return any electronic communication device issued at the request of SWAN Community Council.
- Must make all reasonable efforts to prevent loss or theft of the device. Should this occur the Clerk should be informed immediately.
