

## South Willesborough and Newtown Community Council

### Recommendation

1. Members agree to try to adopt 3 alternatives for single use plastics
2. Office will make 3 alternatives for single use plastics.
3. Sign Pledge and advertise options consistently

**Simple Single use Plastic Swaps to consider at home and in the workplace where possible to Complete Ashford Plastic Free Pledge.**

Single Use Plastic	Alternative
Plastic Milk Bottles	Plurenden Manor or High Halden Dairy Glass Bottle delivery and return
Plastic Clingfilm and other plastic wraps	Beeswax wraps
Disposable plastic coated cups	Reusable Coffee Cups
Coffee pods (can now be recycled)	Percol plastic free coffee options
Tea Bags	Loose Leaf tea and tea ball
Plastic Straws	Resuable bamboo, steel, or recycled plastic straws
Washing powders	Eco egg
Make up products	Refills or eco friendly packaging.
Toothbrushes and hairbrushes razors etc	Bamboo Tooth and hair brush and razors
Toothpaste tubes	Toothpaste tabs
Dental Floss	Plastic Free Floss with free refills
Shopping bags	Reusable totes and cloth bags
Plastic wrapped fruit and vegetables	Loose fruit and vegetables
Wipes or baby wipes	Reusable cotton swabs, flannels towels and wipes
Nappies	Reusable nappies
Plastic Shower Commodities	Soap bars and Shampoo bars and deodorants bars or crystals
Detergent Bottles and Cleaning Products	Glass or reuse plastic ones and go to a refill station or this is also a delivery option through local facebook groups
Toilet paper in plastic packaging	Bamboo paper in paper packaging by who gives a crap
Paraffin candles and lighters	Beeswax, soy and coconut alternatives

Single Use Plastic swaps in place in SWAN office to date:- milk bottles, reusable cups, reusable plates and cutlery, paper reams are recycled and paper wrapped not plastic, refillable hand sanitisers. Coffee in glass jars

Further options we can adopt. loose tea balls, a plastic free wipe for cleaning and a plastic free disinfectant spray, plastic free disposable pens.
